

Preparation Document: "Guardian of the Walls"

190520211430

General Message:

- 1. Operation "Guardian of the Walls" started on Monday, the 10th of May 2021, when Hamas took credit for the firing of 6 rockets at Jerusalem.
- 2. Since then, Hamas has fired more than 3,750 rockets to Israel starting from the surrounding of the Gaza Strip, Jerusalem, and the Central of Israel.
- 3. More than 550 of the rockets have landed inside of the Gaza Strip.
- 4. The Iron dome has been successfully intercepting rockets at a rate of 90 percent.
- In response to Hamas aggression, the IDF has launched hundreds of precision strikes on Hamas's infrastructure, including launching sites, operational residences, intelligence sites, naval warehouses and storage sites.
- 6. 113 direct hits into Israel. 138 including shrapnel. 207 total rockets landed in Israel, the remainder in open fields.

The IDF hit high ranking commanders in the Hamas terror organization:

- Commander of the Western Jabalia Company.
- Senior Research and Development Officer.
- Head of the Military Intelligence Department.
- Head of the Counter Espionage Department.
- Head of the Technical Military Department.

Israeli Injuries and Casualties (As of Wednesday 19/05/2021 14:30):

- Total number of Israeli casualties: 12 casualties, including one IDF soldier.
- o MDA personnel provided medical treatment to a total of 50 injured Israeli civilians, 7 of whom were hit by shrapnel. This includes a 56-year-old man who was killed in the Ramat Gan city near Tel Aviv with an additional 6 Israeli civilians in light condition.

- o 43 civilians needed medical treatment from MDA staff after being injured before they could reach a protected area. This includes a 75-year-old woman who is now in critical condition with a head injury, with an additional Israeli civilian in moderate condition and 41 lightly injured. In addition, 29 Israelis were treated for anxiety induced by the rocket fire.
- o Since the beginning of Operation Guardian of the Walls, over 309 Israelis wounded have been treated by MDA medics and paramedics across the country. 12 were killed by direct hits from Hamas rockets, 2 who were fatally wounded on the way to a protected area and died from their injuries.
- o 105 Israelis have been wounded from shrapnel and broken glass caused by rocket fire. Official reports have 6 severe, 11 moderate and 88 in mild condition, who were treated throughout the country. 194 wounded were injured before they could reach a protected area, including 1 in critical condition, 5 in moderate and 188 lightly.
- o 218 Israeli civilians were treated by MDA staff for anxiety related to the attacks, some of whom were evacuated for further treatment.
- o Two Thai workers killed, as Hamas shot at Gaza border communities.

Major events during the operation:

- 1. 10/05/2021: The IDF struck a number of targets in the Gaza Strip.
 Among the targets struck were Hamas underground transportation tunnels, two militant outposts, and eight Hamas terrorist operatives.
- 2. <u>11/05/2021:</u> The IDF reinforced forces in the South. Among the targets struck were offices of the commander Hamas' military unit and of a senior Hamas official, a weapons depot, and a military compound of Palestinian Islamic Jihad.
- 3. 12/05/2021: The IDF and the ISA carried out a complex and first-of-its-kind operation to simultaneously thwart the efforts of several senior Hamas commanders. As part of the targets, which included vehicles and a squadron of anti-tank rocket launchers, a multi-story building used for Hamas special weapons, and Hamas's terrorist infrastructure.
- 4. <u>13/05/2021</u>: Approximately 7,000 soldiers were called to the border. The IDF struck four operational apartments of the Hamas terrorist organization, including high-rise buildings that served as terrorist and cyber warehouses.

- 5. <u>14/05/2021:</u> The IDF struck a number of strategic structures, including launch pits and weapons depots of the Hamas terrorist organization and the GAP. On this day, about 150 targets were struck in the northern Gaza Strip.
- 6. <u>15/05/2021:</u> The IDF continued to strike targets in the Gaza Strip. Among them, the operational office of the Head of Hamas' Security Forces and the houses of Hamas' high commanders, launch sites, military intelligence sites. Further, the IDF thwarted a launching attempt of a drone armed with explosives.
 - Simultaneously the Israeli Home Front faced a massive attack of non-stop rockets from the Gaza strip, which reached the Central of Israel and the Samaria areas.
- 7. <u>16/05/2021:</u> IDF aircraft struck underground military infrastructure belonging to the Hamas terror organization. These tunnels were located under the road in the area of the strike (Wahda). Hamas intentionally places its military infrastructure under civilian houses and infrastructure, exposing civilians to danger.
- 17/05/2021:IDF fighter jets and aircraft struck nine residences belonging to high-ranking commanders of the Hamas terror organization in the Gaza Strip. The residences that were struck were used to plan terror, and some of the residences were used to store weapons.
- 9. Among the Hamas commander residences that were struck: the residence of the Beit Hanoun battalion commander, the residence of the Beit Hanoun company commander, the residence of a company commander in the Sabara battalion in the city of Gaza and the residence of a company commander in the Shati battalion. In addition, the IDF struck military infrastructure used for Hamas central command in the house of an operative responsible for military intelligence in Shejaiya.
- 10. The IDF identified six attempts to launch rockets into Israel from Lebanon. These rockets did not cross into Israeli territory. In response, IDF artillery forces fired toward the sources of the launches.

Strikes in the Gaza strip:

o The IDF has severely damaged Hamas and Palestinian Islamic Jihad infrastructure, while also preparing a wide deployment of Iron Dome

- batteries in the region. Operational plans of action have been updated for the past two weeks.
- o The IDF and ISA carried out a complex and first-of-its-kind operation to simultaneously eliminate a number of senior commanders in the Hamas terrorist organization, in the city of Gaza and Khan Yunis. The senior commanders played key parts of the Hamas "General Staff" and were considered close to the head of the Hamas military wing, Mohammed Deif.
- o The IDF struck numerous weapons manufacturing sites in the northern Gaza Strip. These terror sites were located in the heart of civilian areas and were used for the manufacturing of weapons.
- o IDF fighter jets struck a 14 multi-story building in the southern Gaza Strip. The building housed Hamas military intelligence offices, as well as infrastructure used by the terror organizations to communicate tactical-military information.
- Overnight the IAF sent 160 aircrafts who dropped 450 missiles on 150 targets in operation in the Gaza strip, as ground troops struck terror operatives.
- The IDF struck the residences of three operatives in the Hamas terror organization.
